

Kotā

— tu volubilis —

Don't cry

Last thing I remember

is that sword in my hand

nothing else.

Why?

I'm sorry

Don't be

This is not the first time it's happened

Like...

No.

Almost, but
not quite.

Sell us.

Look, just give me
whatever clothes I came in
I need to get out!

What's the rule?
There's no where
to go.

What do
you mean?

You really only have
one way of doing
things, don't you?

You tell me what
you would do.

I don't attempt
the impossible.

How do you know that if
you don't try hard enough?

"Travesty is doing the same
thing over and over again but
expecting different results."

Some one keeps
repeating it at me

Well, I'm tired even
just looking at you

I'll see you in
the morning?

Wait, you haven't
even told me your
name!

You don't remember?

It's Clothé.

Don't stare
at me.

Look what you've made me do

I'm sorry

Would you forgive me?

Suppose we begin again

You can't get me to
leave it that way

Trapped here with a enchanted

enchancing maiden

I feel like I have all the answers

but what are the questions?

Hey, can you stop hitting me?
The wound may have closed,
but I'm still sore!

You're not
listening!

I was just a
big soft case!

I was just lost in
thought for a moment!

Why do you have
so many things to
say anyway?

I don't usually
have anyone to
talk to

... Not long.

How long have you
been here by yourself?

You're lying.

You've been here
for longer so you've had
more time to think

How old are
you again?

You're probably
hundreds of years
older than me

**OLD
NAG!?**

Isn't it bad manners to
ask a lady her age?

I am not yet old,
so you're definitely
older than me

What are
you doing?

Fairy tales?
Stories for children?

Surely you must remember
some as you're barely out of
childhood yourself!

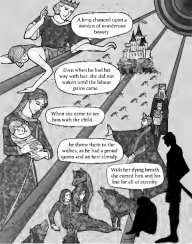

How about. . .

we give it
a try?

FLAP

A king charmed upon a
maiden of wondrous
beauty

Even when he had his
way with her, she did not
wake until the labor
pains came.

When she came to see
him with the child—

he threw them to the
wolves, as he had a great
queen and an heir already.

With her dying breath,
she cursed him and his
line for all of eternity.

You're very distracting

And you've told me you can't be mine

Do you know what you do to me?

Sincerely, why do you always follow me around?

At the rate things are moving, we're going to spend eternity here together!

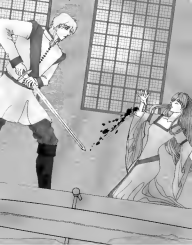

That would be nice.

Don't worry, it takes more than that to tell me

This will make us even!

Fool!

If you're going to chance tell me where needle and thread are!

You're falling deeper

into this enchantment

and I don't know how to save you at all

It's okay if we're here forever - just wake up

Your father or your husband

It doesn't matter

I would kill anyone

for you

And she said

"We'll be on
you and all of
your blood. . .

unto
eternity."

My mother's
gift, my mother's
poison...

So, brother dear,

husband dearest,

Let's
break
free.

That's the princess
of the swamp
Tiana! Right?

It's time now
to mix with
the swamp.

I don't
want.

Sometimes it's a bit
to maintain.

Members of your royal
presence will appear.

Are there allowed
a small subsequence
after assuming all
these conditions
to start?

My last journey
you cannot be
remembered that you
remember how
beautiful she is.

How did that much
pressure you?

Kill me.

Could that is my
with your message.

Guinea won't
say anything!

(to himself)

Pay no heed
to them! Once the
region has fallen under
control, I'll take
you home.

So, how can't
Guinea say
anything?

The only person
I trust is you.

Good. I promise you
within my power
your parents will live
in peace.

Your life will
be long and
happy.

Don't think about
anything. I know I can
my parents live in
peace.

I want to know
everything about
all my enemies.

I am afraid.

Something will
happen and
when you go back.

Change things
and everything
will

There is not the
best time and
happened.

You always
tell the truth.

but not the
whole truth.

Hey witch!

My father's dead
by my own hand.

I've defiled
my sister-

You've
had your
revenge.

Leave your
daughter
out of this!

just bear
with it

You'll never
be free

Find
a better
man

next time

I refuse.

So it doesn't
look that great
right now

but I think
it'll be much
when you try
it on

When you

wake up-

Will you forgive
me then?
